A

B What about sunrise? What about rain ?
What about all the things ,that you said we were to gain.. .
What about killing fields , is there a time ?
What about all the things , that you said was yours and mine...

C Did you ever stop to notice, all the blood we've shed before
Did you ever stop to notice ,the crying Earth the weeping shores?

D Aa-ha haa haa haa Oo-hoo hoo hoo hoo (2x)

E What have we done to the world ? Look what we've done
What about all the peace, that you pledge your only son ?
What about flowering fields ? Is there a time
What about all the dreams , that you said was yours and mine...

F Did you ever stop to notice, all the children dead from war ?
Did you ever stop to notice, this crying Earth this weeping shore ?

G Aa-ha haa haa haa Oo-hoo hoo hoo hoo (2x)

H I used to dream, I used to glance beyond the stars.
Now I don't know where we are, although I know we've drifted far

I Aa-ha haa haa haa Oo-hoo hoo hoo hoo (2x)

J Aa-ha haa haa haa Oo-hoo hoo hoo hoo (2x) hey hey

K What about yesterday (What about us?)
What about the seas (What about us?)
The heavens are falling down (What about us?)
I can't even breathe (What about us?)
What about the bleeding Earth (What about us?)
Can't we feel its wounds (What about us?)
What about nature's worth It's our planet's womb
What about us?
