Verse 1

Me and all my friends ,we're all misunderstood
They say we stand for nothing and there's no way we ever could

Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the means
To rise above and beat it

Chorus 1

So we keep on waiting, (waiting),waiting on the world to change
We keep on waiting , (waiting), waiting on the world to change

It's hard to beat the system when we're standing at a distance
So we keep waiting , (waiting), waiting on the world to change

Verse 2

Now if we had the power , to bring our neighbors home from war
They would have never missed a Christmas ,
no more ribbons on their door

And when you trust your television, what you get is what you got
'Cause when they own the information, ooh,
they can bend it all they want

Chorus 2

That's why we're waiting, (waiting),waiting on the world to change
We keep on waiting , (waiting), waiting on the world to change

It's not that we don't care, we just know that the fight ain't fair
So we keep waiting , (waiting), waiting on the world to change

Now we keep on waiting , (waiting), waiting on the world to change
