Intro

A:

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

B:

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

C:

Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show

D:

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

E:

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

F:

You just call on me brother, when you
u need a hand
We all need somebody to lean on
I just might have a problem that you
'll understand
We all need somebody to lean on

G:

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

Help me If you need a friend (call me
if you need a hand, etc.)

You just call on me brother, when you
u need a hand
