A:

Intro (You're The Inspiration + Hard To Say
I'm Sorry)

B:

"Everybody needs a little time away," I
heard her say, "from each other."
"Even lover's need a holiday far away from each
other."

C:

Hold me now.
It's hard for me to say I'm sorry.
I just want you to stay.

D:

After all that we've been through,
I will make it up to you. I promise to.
And after all that's been said and done,
You're just the part of me I can't let go.

E:

You know our love was meant to be
The kind of love that lasts forever
And I need you here with me
From tonight until the end of time

F:

You should know, everywhere I go
