It was Christmas Eve babe
In the drunk tank
An old man said to me, "won't see another one"
And then he sang a song,
'The Rare Old Mountain Dew'
I turned my face away
And dreamed about you

C
Got on a lucky one
Came in eighteen to one
I've got a feeling
This year's for me and you
So happy Christmas
I love you baby
I can see a better time
When all our dreams come true

D
La la..

E
They've got cars big as bars
They've got rivers of gold
But the wind goes right through you
It's no place for the old
When you first took my hand
On a cold Christmas Eve
You promised me Broadway was waiting for me
You were handsome You were pretty
Queen of New York City
When the band finished playing
They howled out for more
Sinatra was swinging,
All the drunks they were singing
We kissed on the corner
Then danced through the night

F
The boys of the NYPD choir were singing
'Galway Bay'
And the bells were ringing out for
Christmas day

G
La la...

H
You're a bum, you're a punk
You're an old slut on junk!
Lying there almost dead on a drip in that bed
You scumbag, you maggot
You cheap lousy faggot
Happy Christmas you're arse
I pray God it's our last!

I
The boys of the NYPD choir still singing 'Galway Bay'
And the bells were ringing out For Christmas day

J
Doo doo...

K
I could have been someone, well so could anyone
You took my dreams from me
When I first found you
I kept them with me babe
I put them with my own
Can't make it all alone
I've built my dreams around you

L
The boys of the NYPD choir still singing 'Galway Bay'
And the bells were ringing out For Christmas day

M
da da...
The bells were ringing, the choir was singing
Christmas again come what may in New York!
