Drumkit/Percussion

The image displays two staves of musical notation for a drumkit and percussion. The notation uses various symbols: solid black circles for bass and snare drums, 'x' marks for hi-hats, and different note heads (diamonds, triangles) for cymbals and other percussion. A large, diagonal 'DEMO VERSION' watermark is overlaid across the center of the page.

A

B

I got this feeling, inside my bones
It goes electric, wavy when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we in our zone

C

I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it drops, ooh
I can't take my eyes up off it, moving so phenomenally
Room on lock, the way we rock it, so don't stop

D

And under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

E

Nothing I can see but you when you dance, dance, dance
Feel the good, good, creeping up on you
So just dance, dance, dance, come on
All those things I should do you
But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

F

I can't stop the feeling. So just dance, dance, dance
I can't stop the feeling. So just dance, dance, dance, come on

G

Ooh, it's something magical
It's in the air, it's in my blood, it's rushing on
I don't need no reason, don't need control
I fly so high, no ceiling, when I'm in my zone

H

Cause I got that sunshine in my pocket
Got that good soul in my feet
I feel that hot blood in my body when it drops, ooh
I can't take my eyes up off it, moving so phenomenally
Room on lock the way we rock it, so don't stop
