Michael Jackson - MEDLEY

Don't Stop Till You Get Enough - Thriller - Bad - Billie Jean -
Man in the Mirror - Heal The World)

*Words and Music by Michael Jackson
Arranged by Dirk Kokx*

Beat It

All I wanna say is that they don't really care about us
They told him "Don't you ever come around here.
Don't wanna see your face; you'd better disappear!"
The fire's in their eyes and their looks are pretty clear so
beat it, just beat it ! (oo!)
You better run; you better do what you can. (oo!)
Don't wanna see no blood. Don't be a macho man. (oo!)
You wanna be tough; better do what you can. So beat it. But you wanna be bad!
Just beat it ! (beat it!) Beat it! (Beat it!) No one wants to be defeated
Showin' how funky and strong is your fight.
It doesn't matter who's wrong or right. Just beat it, (beat it)
Just beat it (beat it) just beat it (beat it) just beat it.

They Don't Care About Us

All I wanna say is that they don't really care about (3x) us!

Smooth Criminal

Annie are you OK? Will you tell us that you're OK?
There's a sign in the window that he stuck you, a crescendo, Annie!
He came into your apartment, he left the bloodstains on the carpet.
Then you ran into the bedroom, you were struck down. It was your doom.
Annie are you OK? So Annie are you OK? Are you OK Annie ? (3x)
You've been hit by, you've been struck by a smooth criminal!

Black Or White

Don't tell me you agree with me when I saw you kicking dirt in my eye.
But if you're thinking about being my baby it don't matter if
you're black or white!
I took my baby on a Saturday bang. Boy, is that girl with you?
Yes we're one and the same.
Now I believe I miracles, and a miracle has happened tonight.
But if you're thinking about being my baby it don't matter if
you're black or white!
But if you're thinking about being my brother it don't matter if
you're black or white!

Don't Stop Till You Get Enough

It don't matter if you're black or white, black or white.
Keep on with the force don't stop till you get enough.(4x)

I'm starting with the man in the mirror. (Oh yeah!)
I'm asking him to change his ways (better change!, hoo hoo)
And no message could have been any clearer:
If you wanna make the world a better place take a look at yourself
And then make a change! You gotta get it right, while you got the time
'cause when you close your heart then you close your mind!
(you can heal the world)

Heal The World

(You can heal the world), make it a better place
For you and for me and the entire human race.
There are (ah) people dying, if you care enough for the living
Make a better place for you and for me
Heal the world,(Heal the world) make it a better place(oh yeah!)
For you and for me and the entire human race.
There are (ah) people dying, if you care enough for the living
Make a better place for you and for me
There are (ah) people dying, if you care enough for the living
Make a better place for you and for me (Heal the world we live in)
You and for me (save it for our children)
You and for me (Heal the world we live in)
You and for me (save it for our children)
You and for me (Heal the world we live in)
You and for me (save it for our children)
You and for me (Heal the world we live in)
You and for me (save it for our children)
