Think

You better think (Think) , think about what you're tryin' to do to me
Think! (Think think!) Let your mind go let yourself be free.
Let's go back, let's go back let's go way on to way back when (way back)
I didn't even know you.
You couldn't have been too much more than ten (Just child!)
I ain't no psychiatrist I ain't no doctor with degrees
But it don't take too much I.Q. To see what you're doin' to me
You better think (Think!). Think about what you're tryin' to do to me
Yeah think (Think think!) Let your mind go let yourself be free.
Oh freedom (freedom) let's have some freedom (freedom)
Yeah freedom, yeah freedom, right now,
freedom (freedom) oh freedom (freedom) you need some freedom oh freedom.

I Say A Little Prayer For You

The moment I wake up. Before I put on my make-up (make-up).
I say a little prayer for you
And while combing my hair now.
And wond'ring what dress to wear now (wear now)
I say a little prayer for you
Forever and ever you'll stay in my heart and I will love you.
Forever and ever we never shall part. Oh, how I'll love you.
Together forever that's how it must be. To live without you
would only mean heart break for me.

You Make Me Feel Like A Natural Woman

Looking out on the morning rain (ahoo)
I used to feel so uninspired (ahoo)
And when I knew I had to face another day (ahoo)
Lord it made me feel so tired.
Before the day I met you, life was so unkind.
But you're the key to my peace of mind. Cause you make me feel,
you make me feel, you make me feel like a natural woman, woman.
Oh, baby, what you've done to me (what you've done to me)
You make me feel so good inside (good inside)
And I just wanna be (wanna be)
Close to you. You make me feel so alive.
You make me feel, you make me feel,
you make me feel like a natural woman, woman.

Think

You better think! (Think!) , think about what you're tryin' to do to me
Think! (Think think!) Let your mind go let yourself be free.
People walkin' around everyday playin' games, takin' scores.
Tryin' to make other people lose their minds.
Well be careful you don't lose yours.
Think (Think!). Think about what you're tryin' to do to me woohoo
Think (Think) Let your mind go let yourself be free. Just think!
