Blank Infinity – Epica

Verse 1

Trying to keep myself afloat upon this stream,
but a thought is pulling me down, pulling me all the way down.

Chorus 1

We are wandering towards a blank infinity
And extinguishing will now be the only way
to diminish your sins, this vortex can't be filled up again
a hole in space and time.

Interlude 1

Do you cry to the heaven's high when you're confined in here?
Do you not ever wonder why these leaden tears will never dry?
They 'll leave behind so many shadows in my mind.

Verse 2

High in the sky, all of the clouds are passing by Wait for this storm, wait for the rain,
wait for the tears to fall down on me.

Chorus 2 = Chorus1

Interlude 2

Do you cry to the heaven's high when you're confined in here?
Do you not ever wonder why these leaden tears will never dry?
They 'll leave behind so many shadows
Living in me, living in all the memories in my life

Bridge

Do you wonder why these tears never dry
Time forced into life living in my mind.

Interlude 3

Can we ever find a way in this labyrinth without end?
Labyrinth has no end
Which turn should I take? Left or right?
Should I stay? Should I be the one?

Interlude 4

Do you cry to the heaven's high when you're confined in here?
Do you not ever wonder why these leaden tears will never dry?
They 'll leave behind so many shadows
This substance inside, forced into life
it still exists because it's here. Living in me living in all the memories

Coda

In my life, in my life
Lost inside blank infinity.
