Intro

Verse 1

I've been here before, but always hit the floor
I've spent a lifetime running, and I always get away
But with you I'm feeling something, that makes me want to stay

Verse 2

I'm prepared for this, I never shoot to miss
But I feel like a storm is coming, if I'm gonna make it through the day
Then there's no more use in running, this is something I gotta face

Chorus 1

If I risk it all, could you break my fall?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wall

Interlude 1

Verse 3

A million shards of glass, that haunt me from my past
As the stars begin to gather, and the light begins to fade
When all hope begins to shatter, know that I won't be afraid

Chorus 2 = 1

Interlude 2

Cause writing's on the wall

Chorus 3

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wall
