Just a young gun with a quick fuse
I was uptight, wanna let loose
I was dreaming of bigger things and
wanna leave my old life behind
Not a yes-sir, not a follower
Fit the box, fit the mold
Have a seat in the foyer, take a number
I was lightning before the thunder

Kids were laughing in my classes
While I was scheming for the masses
Who do you think you are?
Dreaming 'bout being a big star
They say you're basic, they say you're easy
You're always riding in the back seat
Now I'm smiling from the stage while
You were clapping in the nosebleeds
