Take That Medley

- Patience - Shine - Back For Good - Rule The World -

arranged by Dirk Kokx

A: Patience

Just have a little patience
I'm still hurting from a love I lost
I'm feeling your frustration
But any minute all the pain will stop
Just hold me close inside your arms tonight
Don't be too hard on my emotions

B:

'Cause I need time
My heart is numb, has no feeling
So while I'm still healing
Just try and have a little patience

C: Shine

Stop (stop) being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come 'round

You only have to open your eyes
You might just get a big surprise
And it may feel good
And you might want to smile, smile, smile

Don't you let your demons pull you down
'Cause you can have it all
You can have it all

D:

So come on
Oh, come on, get it on
I don't know what you're waiting for
Your time is coming, don't be late, hey, hey

So come on
See the light on your face
Let it shine, just let it shine
Let it shine

E:

(Hey) Hey
(Let me know ya) Let me know ya
(You're all that matters to me) you're
all that matters to me
(Hey, let me show ya) let me show ya
(You're all that matters to me)
you're all that matters

F:

Whatever I said, whatever I did I didn't mean it
I just want you back for good
(You're all that matters to me) you're all that matters
Whenever I'm wrong just tell me the song and I'll sing it
You'll be right and understood
(You're all that matters to me)

G: Back For Good

I guess now it's time for me to give up
I feel it's time
Got a picture of you beside me
Got your lipstick mark still on your coffee cup
Got a fist of pure emotion
Got a head of shattered dreams
Gotta leave it, gotta leave it all behind now

H:

Whatever I said, whatever I did I didn't mean it
(whenever I'm wrong I'll tell you)
I just want you back for good
(I want you back, I want you back,
I want you back for good)
Whenever I'm wrong just tell me the song and I'll sing it
(whenever I'm wrong I'll tell you)
You'll be right and understood
(I want you back, I want you back,
I want you back for good)
I want you back for good

And we'll be together this time is forever
We'll be fighting and forever we will be
So complete in our love
We will never be discovered again

I rule the world
Yeah, you and me, we can rule on a star
If you stay by my side
We can rule the world
Yeah, you and me, we can light up the sky
If you stay by my side
We can rule the world

K:

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

L:

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
