# Take That Medley

- Patience - Shine - Back For Good - Rule The World -

*arranged by Dirk Kokx*

## A: Patience

Just have a little patience  
I'm still hurting from a love I lost  
I'm feeling your frustration  
But any minute all the pain will stop  
Just hold me close inside your arms tonight  
Don't be too hard on my emotions

## B:

'Cause I need time  
My heart is numb, has no feeling  
So while I'm still healing  
Just try and have a little patience

## C: Shine

Stop (stop) being so hard on yourself  
It's not good for your health  
I know that you can change  
So clear your head and come 'round

You only have to open your eyes  
You might just get a big surprise  
And it may feel good  
And you might want to smile, smile, smile

Don't you let your demons pull you down  
'Cause you can have it all  
You can have it all

## D:

So come on  
Oh, come on, get it on  
I don't know what you're waiting for  
Your time is coming, don't be late, hey, hey

## So come on

See the light on your face  
Let it shine, just let it shine  
Let it shine

## E:

(Hey) Hey  
(Let me know ya) Let me know ya  
(You're all that matters to me) you're  
all that matters to me  
(Hey, let me show ya) let me show ya  
(You're all that matters to me)  
you're all that matters

## F:

Whatever I said, whatever I did I didn't mean it  
I just want you back for good  
(You're all that matters to me) you're all that matters  
Whenever I'm wrong just tell me the song and I'll sing it  
You'll be right and understood  
(You're all that matters to me)

## G: Back For Good

I guess now it's time for me to give up  
I feel it's time  
Got a picture of you beside me  
Got your lipstick mark still on your coffee cup  
Got a fist of pure emotion  
Got a head of shattered dreams  
Gotta leave it, gotta leave it all behind now

## H:

Whatever I said, whatever I did I didn't mean it  
(whenever I'm wrong I'll tell you)  
I just want you back for good  
(I want you back, I want you back,  
I want you back for good)  
Whenever I'm wrong just tell me the song and I'll sing it  
(whenever I'm wrong I'll tell you)  
You'll be right and understood  
(I want you back, I want you back,  
I want you back for good)  
I want you back for good

## I:

And we'll be together, this time is forever  
We'll be fighting and forever we will be  
So complete in our love  
We will never be uncovered again

## J: Rule The World

Yeah, you and me, we can ride on a star  
If you stay with me, girl  
We can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side  
We can rule the world

## K:

All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you

## L:

All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you
