A:

B:

You're here, where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day
Presents, what a beautiful sight
Don't mean a thing if you ain't holding me
tight
You're all that I need
Underneath the tree

C:

Tonight I'm gonna hold you close
Make sure that you know
I was lost before you
Christmas was cold and grey
Another holiday alone to celebrate

D:

But then one day everything changed
You're all I need
Underneath the tree

E:

You're here, where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day
Presents, what a beautiful sight
Don't mean a thing if you ain't holding me
tight
You're all that I need
Underneath the tree

F:

I found what I was looking for
A love that's meant for me
A heart that's mine completely
Knocked me right off my feet
And this year I will fall
With no worries at all

G:

'Cause you are near and everything's clear
You're all I need
Underneath the tree

H:

You're here, where you should be
Snow is falling as the carolers sing
It just wasn't the same
Alone on Christmas day
Presents, what a beautiful sight
Don't mean a thing if you ain't holding me

You're all that I need
