All of Me

*Words and music by Toby Gad, John Stephens
Arranged by P. van Lonkhuijsen
Original Key Fmin*

What would I do without your smart mouth, drawing me in and kicking me out?
You've got my head spinnin', no kiddin' I can't pin you down.
What's going on in that beautiful mind? I'm on your magical mystery ride
And I'm so dizzy, don't know what hit me, but I'll be alright

My head's under water but I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me loves all of you
love your curves and all your edges, all your perfect imperfections
Give your all to me, I'll give my all to you
You're my end and my beginning, even when I lose I'm winning.
'Cause I give you all of me, and you give me all of you

How many times do I have to tell you, even when you're crying you're beautiful too?
The world is beating you down I'm around though every mood
You're my downfall, you're my muse, my worst distraction, my rhythm and blues
I can't stop singing this ringing in my head for you.

My head's under water but I'm breathing fine
You're crazy and I'm out of my mind

'Cause all of me loves all of you
love your curves and all your edges, all your perfect imperfections
Give your all to me, I'll give my all to you
You're my end and my beginning, even when I lose I'm winning.
'Cause I give you all of me, and you give me all of you

Cards on the table we're both showing hearts
Risking it all though it's hard

'Cause all of me loves all of you
love your curves and all your edges, all your perfect imperfections
Give your all to me, I'll give my all to you
You're my end and my beginning, even when I lose I'm winning.
'Cause I give you all of me, and you give me all of you
I give you all of me, and you give me all of you
