Before You Go

- Lewis Capaldi -

- A Intro
- B I fell by the wayside, like everyone else
I hate you, I hate you, I hate you but I was just kidding myself
Our every moment, I start to replace
'Cause now that they're gone, all I hear are the words that I needed to say
- C When you hurt under the surface
Like troubled water running cold
Well, time can heal, but this won't
- D So, before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather
- E So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go
- F
- G Was never the right time, whenever you called
Went little, by little, by little until there was nothing at all
Our every moment, I start to replay
But all I can think about is seeing that look on your face
- H When you hurt under the surface
Like troubled water running cold
Well, time can heal, but this won't
- I So, before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather
So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go
- J Would we be better off by now
If I'd let my walls come down?
Maybe, I guess we'll never know
You know, you know
- K Before you go
Was there something I could've said to make your heart beat better?
If only I'd have known you had a storm to weather
- L So, before you go
Was there something I could've said to make it all stop hurting?
It kills me how your mind can make you feel so worthless
So, before you go
