Intro

Verse 1

Run past the rivers, run past all the light.
Feel it crashin' and burnin', till it all collides.
Strike a match lit the fire, shinin' up the sky.
As it all comes down again, as it all comes down again.
as it all comes down again, to the sound.

Chorus 1 (2x)

The sound of the wind is whispering in your head,
Can you feel it coming back?
Through the warmth, through the cold, keep running 'till we're there.
We're coming home now, we're coming home now.

Interlude 1

Verse 2

Hear the voices surround us, hear them screamin' out.
We'll be crying for mercy, we'll be crying out loud.
Burn the bridges in our town 'till the point where we drown.
As it all comes down again, as it all comes down again.
as it all comes down again, to the sound.

Chorus 2 (2x)

Interlude 2

We are coming home, we are coming home
[repeat 8x]

The sound of the wind is whispering in your ear.
Can you feel it coming back?
Through the warmth, through the cold, keep running 'til we're there
We're coming home now, we're coming home now.
