Verse 1 Can you feel it? Now it's coming back.
We can steal it. If we bridge this gap,
I can see you through the curtains of the waterfall.

Verse 2 When I lost it, yeah you held my hand,
but I tossed it, didn't understand.
You were waiting, as I dove into the waterfall.

Then we crushed it, but it's in the past.
We can make this leap,
Through the curtains of the waterfall.

Interlude 4 Can you feel my love? (my love 5x) Bombs away (3x)

Bridge Well I'm just a boy, with a broken toy, all lost and coy.
At the curtains of the waterfall.
So it's here I stand, as a broken man, but I've found my friend,
At the curtains of the waterfall.
Now I'm falling down, through the crashing sound
and you've come around.
At the curtains of the waterfall.
And you rushed to me, and it sets us free,
so I fall to my knees. At the curtains of the waterfall.
