*Words and Music by Ryan Tedder

A

Lately I've been, I've been losing sleep.
Dreaming about the things that we could be.
But baby, I've been, I've been praying hard.
Said, no more counting dollars.
We'll be counting stars. Yeah, we'll be counting stars.

B (instr.)

C

I see this life like a swinging vine. Swing my heart across the line.
And my face is flashing signs. Seek it out and ye shall find.
Old, but I'm not that old. Young, but I'm not that bold.
I don't think the world is sold, I'm just doing what we're told.

I feel something so right, but doing the wrong thing.
I feel something so wrong, but doing the right thing.
I couldn't lie, couldn't lie, couldn't lie.
Ev'rything that kills me makes me feel alive.

D (=A)

E (=A)

F

I feel the love and I feel it burn. Down this river every turn.
Hope is our four letter word, make that money, watch it burn.
Old, but I'm not that old. Young, but I'm not that bold.
I don't think the world is sold, I'm just doing what we're told.

I feel something so right, but doing the wrong thing.
I feel something so wrong, but doing the right thing.
I couldn't lie, couldn't I, couldn't lie.
Everything that drowns me makes me wanna fly.
