Lyrics

The Family Tree

- Venice -

*Words and Music by Kipp, Mark, Michael and Pat Lennon
Arranged by Frank de Vreeze
Original Key*

A

B Branches in the wind, still standing here together
One more storm to weather, we'll get through it yet
So we're gathered here, holding on to each other
To let go of another one we won't forget

C

Now as we say goodbye, to one of our own
We may be lonely, but we're not alone
Though the leaves will fall, and the tears will flow
May it always comfort us to know
The family tree will always grow

D

E Father down to son, mother to daughter
Thicker than water, we are made of this
From the earth we rise, to the Earth returning
We keep a candle burning for the ones we miss

F

And when we say goodbye, to one of our own
We may be lonely, but we're not alone
Though the leaves will fall, and the tears will flow
May it always comfort us to know, the family tree will always grow

G

Stronger than the wind can blow
The family tree will always grow
