intro

B
I should have known
I'd leave a-lone
Just goes to show
That the blood you bleed
is just the blood you owe

C
We were a pair. But I saw you there
Too much to bear
You were my life but life
is far a-way from fair

D
Was I stupid to love you?
Was I reckless to help?
Was it obvious to everybody else?

E
That I've fallen for a lie,
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

F
interlude

G
I let it burn
You're no longer my concern,
Faces from my past re-turn
Another lesson yet to learn

H
That I'd fallen for a lie
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

I
No time to die (2x)

J
Fool me once, fool me twice,
Are you death or paradise?
Now you'll never see me cry,
There's just no time to die
