A

B Lying in my bed I hear the clock tick, and think of you
Caught up in circles confusion is nothing new
Flashback, warm nights, almost left behind
Suitcases of memories, time after...

C Sometimes you picture me, I'm walking too far ahead
You're calling to me, I can't hear what you've said
Then you say: go slow, I fall behind
The second hand unwinds

D 2x If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time

E

Watching through windows you're wondering if I'm okay
