A

B Lying in my bed I hear the clock tick, and think of you
   Caught up in circles confusion is nothing new
   Flashback, warm nights, almost left behind
   Suitcases of memories, time after...

C Sometimes you picture me, I’m walking too far ahead
   You’re calling to me, I can’t hear what you’ve said
   Then you say: go slow, I fall behind
   The second hand unwinds

D 2x If you’re lost you can look and you will find me
   Time after time
   If you fall I will catch you I’ll be waiting
   Time after time

E

F After my picture fades and darkness has turned to gray
   Watching through windows you’re wondering If I’m okay
   Secrets stolen from deep inside the drum beats out of time
