You're calling to me; I can't hear what you've said. My heart's so hard, so hard. Can't hear, can't hear, can't hear.

You're calling to me; I can't hear what you've said. Then you say go slow. I fell like I brought you some kind of wind. If you're lost you can look and you will find me, find me. You can call and you will find me.

All behind you can't hear what you've said. All behind you, you can't hear what you've said.

Can't hear, can't hear, can't hear. You can't hear, you can't hear, you can't hear. You can't hear, you can't hear, you can't hear.

If you're lost you can look and you will find me, find me. You can call and you will find me.
