You're calling to me — I can't hear what you've said.

If you're lost you can look and you will find me —

If you lie I will catch you, I'll be waiting —

You're calling to me — I can't hear what you've said Then you say — go away. I fell behind —

The second hand

You're calling to me — I can't hear what you've said Then you say — go away. I fell behind —

1. Lying in my bed I hear the clock tick, and think of you
   Caught up in circles confusion is nothing new
   Flashback, warm nights, almost left behind
   Suitcases of memories, time after...

2. Sometimes you picture me, I'm walking too far ahead
   You're calling to me, I can't hear what you've said
   Then you say: go slow, I fall behind
   The second hand unwinds

3. If you're lost you can look and you will find me
   Time after time
   If you fall I will catch you I'll be waiting
   Time after time

4. After my picture fades and darkness has turned to gray
   Watching through windows you're wondering If I'm okay
   Secrets stolen from deep inside the drum beats out of time

5. You say: go slow, I fall behind
