Right from the start you were a thief, you stole my heart, 
and I your willing victim 
I let you see the parts of me that weren't all that pretty 
And with every touch you fixed them 

Now you've been talking in your sleep, oh, oh 
Things you never say to me, oh, oh 
Tell me that you've had enough of our love, our love 

Just give me a reason just a little bit's enough 
Just a second we're not broken just bent 
And we can learn to love again 
It's in the stars it's been written in the scars on our hearts 
We're not broken just bent and we can learn to love again 

I'm sorry I don't understand where all of this is coming from 
I thought that we were fine (Oh, we had it all!) 
Your head is running wild again my dear we still have everything 
And it's all in your mind (Yeah, but this is happening) 

You've been having real bad dreams, oh, oh, you 
used to lie so close to me, oh, oh 
There's nothing more than empty sheets 
Between our love, our love, oh, our love, our love 

Just give ... 

Oh, tears ducts and rust, I'll fix it for us 
We're collecting dust, but our love's enough 
You're holding it in, you're pouring a drink 
No nothing is as bad as it seems 
We'll come clean 

Just give ... 
Just give ... 
Oh, we can learn to love again (2x) 
Oh, oh, that we're not broken just bent 
And we can learn to love again
